That might have been just legal manoeuvring, but the question will eventually arise: who gets to decide what appears on the Metaverse? Given Roblox's significant audience of under-13s, the company is understandably keen on safety, employing over 3,000 people around the world to screen for inappropriate content. That is good news if you're a parent, but bad if you're a creator in a hypothetical future where a moderated Metaverse becomes the primary conduit for entertainment consumption and your work is judged sufficiently inappropriate.

Finally, the left-hand side of the page (on PC) should allow players to visit their inventory. Through this tab, players should be able to see all the new items they've received from their promo codes under the appropriate inventory category tabs.

The retro-inspired shooter had essentially been on life support since June 2019, barely scraping together three digits of concurrent players at any given moment. Then Splitgate suddenly blew up in popularity in July of this year, getting a massive influx of new players that forced developer 1047 Games to continuously upgrade their servers just to keep up with the demand.

You shouldn't hop into Roblox expecting to play games with the production values of something like Final Fantasy VII Remake or even Fall Guys. Many of the Roblox games I've tried feel somewhat rudimentary, offering simple controls and graphics. But the point isn't really to go pro in any one Roblox game — it's more that there are millions of virtual spaces to hang out, and many of them have the added benefit of being games.

When you first make your Roblox account, you might get carried away and enter a username that won't stand the test of time. However, sometimes you're just not thinking about it and come up with a much better username down the line. This guide will cover how you can change your Roblox username and cover if you can do this for free.
